All management level examinees must study the Texas Natural Resources Code, (Chapter 113), the noted LP-Gas Safety Rule Subchapters, and the NFPA pamphlet(s) chapters, if indicated. All Management Examinations are \$50.00 per exam. LP-Gas Safety Rules can be obtained from RRC Publications @ 512-463-7255, or submit a written request, check or money order for \$8.00 per licensing book and \$3.00 per service book to: Texas Railroad Commission, P.O. Box 12967, Austin, Texas 78711-2967. NFPA pamphlets can be obtained from the NFPA at 1-800-344-3555 or the TPGA at (512) 836-8620. You do not have to be a member of NFPA or TPGA to order pamphlets.

Requirements for Training must be completed before a license or Certification Card can be issued.

80 hours of Training is a prerequisite class for a new Category E Management Applicant: 16 hours of Training is a prerequisite class for a new Category F, G and I Management Applicant. 8 hours of Training is a prerequisite class for a new Category D, J and K Management Applicant.

Continuing education requirement: A Category D, E, F, G, I, J & K Management certificate holder must complete at least eight hours of continuing education every four years after the initial 80, 16 or 8 hours of Training.

Go to www.rrc.state.tx.us for LP-Gas Safety Rules and <http://www.capitol.state.tx.us/statutes/nr.toc.htm> for Natural Resources Codes (NRC).

All employee level examinees must study the noted LP-Gas Safety Rule subchapters and the NFPA publication, if indicated. NOTE: There is no employee level examination for Categories A, B, H, O, P.

*Bobtail Driver Exam includes: Transport Driver, DOT Cylinder Filling, Motor/Mobile Fuel Dispenser exams, along with minor appliance activities, piping testing, and leak check.

In addition to passing the subject rule examination: *Bobtail Driver, DOT cylinder filling, service & installation and motor/mobile fuel dispenser applicants are required to complete 8 hours of training. Bobtail Driver and cylinder filling applicants are also required to complete Advanced Field Training (AFT) requirements. Every four years afterwards, an 8- hour continuing education course is required. Please refer to Sections 9.51, 9.52 and 9.53 of the LP-Gas Safety Rules for more information, including compliance deadlines. All Employee level examinees must study the noted LP-Gas Safety Rule Subchapters, and the NFPA pamphlet(s) chapters, if indicated. All Employee Examinations are 20.00 per exam. LP-Gas Safety Rules can be obtained from the RRC Publication @ 512-463-7255 or submit a written request, check or money order for \$8.00 per licensing book: Texas Railroad Commission, P.O. Box 12967, Austin, Texas 78711-2967. NFPA pamphlets can be obtained from the NFPA at 1-800-344-3555 or the TPGA at (512) 836-8620. You do not have to be a member of NFPA or TPGA to order pamphlets*

Schedules, Dates and locations of available Commission LP-gas training classes can be obtained by contacting the Alternative Fuel Research Education Division (AFRED) @ 512-463-2682, and on the Commission's web site at www.rrc.state.tx.us, updated monthly. Commission classes shall be conducted in Austin and in other locations around the state.
